

# WELCOME TO THE FUTURE OF FIREFIGHTER TRAINING

CREATED BY TWO OF THE MOST TRUSTED VOICES IN THE FIRE  
INDUSTRY, **FDIC AND FIRE ENGINEERING MAGAZINE**

## ACCESS THE BEST EDUCATION AVAILABLE

250+ interactive Fire & EMS training courses and videos designed specifically for the Fire Academy. Includes updated content on mission-critical topics & new areas of interest.

## MEET TRAINING COMPLIANCE REQUIREMENTS & DECREASE LIABILITY

Assign and manage training, track completion, award certificates of completion, document hands-on training, schedule and manage live events, and download progress reports for each department member.

## LEARN FROM WORLD-RENOUNDED INSTRUCTORS

Get trained by the industry's most respected leaders, who deliver tactics & techniques that help you serve your community better.

**Bill Gustin**  
Captain  
Miami-Dade (FL) Fire Rescue

# YOUR DEPARTMENT TRAINING, SIMPLIFIED

Easily build, customize, and manage training programs for your whole department,  
all in one place.

## HAVE THE FREEDOM TO LEARN FROM ANYWHERE

Your firefighters are always on the go, so don't restrict them to a classroom or even a computer. The Fire Academy is available on any internet-connected device. Give your personnel the ability to pick up right where they left off with unprecedented mobility.
